

Permanent-mount GPS Antenna

Trimble's Hardmount Antenna

provides a through-the-hole mount antenna for Trimble's ACE III GPS™, SveeEightPlus GPS™, and Lassen™ SK II GPS receiver boards. Housed in a rugged, compact, low-profile package, the Hardmount 5V GPS antenna is well suited to mobile positioning applications.

- Dimensions: 63 mm dia x 40.5 mm H (2/48" x 1.6")
- Weight: 180 g (6.4 oz)
- Power consumption: 35 mA (max)
- Mounting: Single hole, 0.75" threaded mount
- Connector: Standard TNC for ease of installation
- Environment: -40° to +85° C with high humidity
